

## 22nd Annual Men Who Cook Scholarship Fundraiser

Men Who Cook is a signature event of Alpha Kappa Alpha Sorority Inc.® - Kappa Psi Omega Chapter. The purpose of the event is to raise college scholarships and educational programming funds for local underrepresented youth. Last year, the organization awarded 14 scholarships to graduating high school students.

This year's exciting community event will be hosted as shown below at a **new site**:

Saturday, March 12, 2016  
2:00-5:00 p.m.  
Tickets \$25 purchased in advance only

Kromrey Middle School  
7009 Donna Dr.  
Middleton, WI 53562

A children's room is available at the event for ages 10 and under and those tickets are \$5.00. All other age groups and adult tickets cost **\$25 per person**.

The competition is expected to heat up this year with 21 energetic, local cooks. All cooks have a desire to help others in their community and contribute to a good cause. They are professional men and leaders in their own right, and enjoy cooking and competing for bragging rights. The cooks will compete for the People's Choice awards determined by the 300+ attendees. Professional Chefs from Kipp's Cuisines, Great Dane, and Bonefish Grill will also use their culinary judgment to declare the Judges Award winners. The winning cooks will receive trophies and prizes donated by local business organizations.

Tickets can be purchased online or from a AKA member. For additional ticket, vendor or sponsor information, visit [www.kappa-psi-omega-chapter-alpha-kappa-alpha-sorority.com](http://www.kappa-psi-omega-chapter-alpha-kappa-alpha-sorority.com).
