African American History Challenge Bowl

5 April 2014 - MMSD Doyle Administration Building

The 100 Black Men of Madison African American History Challenge Bowl (AAHCB) is an educational program designed to enhance the study of African American history. The AAHCB is open to all Madison-area middle school students with the goal to encourage pride, self-worth and an appreciation of the African American

legacy and culture. It also is a challenging and fun way for students to expand their knowledge of African American History in highly competitive local and national competitions.

The 2013 winner of the local competition was the team from Spring Harbor Middle School (pictured above). [Click here to view scenes from the 2013 event](#).
